

Ninth Chords

Floating Notes

9th chords are the most common of the “extra-stuff” added onto chords. The 9th is the note up a whole-step from the Root.

A starting position (with 9th in grey)

Up a two half-steps: the 9th

The 9th is also a fourth down from the fifth!

A starting position (with 9th in grey)

If a chord is written as a 9th chord, that usually means it's a **dominant** chord.
